Valuing Cheshire: A Natural Capital Seminar
Thursday 23rd February, 2017

Welcome and Introduction

Andrew Hull

Visit: www.ruralwestcheshire.org

The Rural Growth Board

Our Vision

“A sustainable and developing economy in the rural area and market towns of west Cheshire, that supports and develops the established and emerging business community, supports its residents and encourages investment to underpin a quality environment.”

The Rural Growth Board

Delivery is based upon four strategic themes:

- Rural housing
- Connectivity and accessibility
- Business, skills and education
- Environment and sense of place

Environment and sense of place

Recurring themes:

- Rural economy or Economy in the rural area
- The **Business** environment or the Business **Environment**
or the **Business Environment**
- Quality environment
- Valuing Cheshire ?
